The logo features the name 'Camie's' in a large, stylized, cursive font. Below it, the words 'Creative Athletic Movement' are written in a white, sans-serif font inside a black rounded rectangular box. At the bottom, the word 'CAMP' is written in large, bold, black, all-caps sans-serif letters.

A sports camp for Children with Autism between the ages of 3-7.

Come Play!!

Our Story

Cam's Camp is A CONCEPT DEVELOPED by Lauren Chenevert and Karen Kent
Lauren and her husband Sean have been involved in sports for over 30 years. When their son Camden was diagnosed with Autism, they wanted him to experience the same benefits of playing sports that they and their 5 year old son Tyler have experienced. Playing a sport has rewarded their family with great friendships, health, nutrition, coordination, organization, and motivation; many of the aspects that children with Autism struggle with on a daily basis. Cam's Camp is designed to get kids started in sports so someday they can use these skills to form social bonds, to gain coordination, and to live healthy and motivating lives. Our goal is to share with each player happiness, health, and friendship in a positive and nurturing environment where they can learn about and feel the benefits of sports.

Karen Kent is a parent of one our field hockey players of Worcester County United Field Hockey Association. She also is an occupational therapist who has worked with children for many years. Karen has brought her expertise and commitment to assist in developing this concept and making Cam's Camp a reality.

Our Philosophy

We understand that your child comes to us with unique experiences, interests and learning styles. Our goal is to provide your child with an opportunity to participate in a sports orientated camp. Individual and group activities will be presented in a play based model.
