

Dear Prospective Sponsor,

Thank you for your interest in our program. Our program concentrates on promoting field hockey players in the New England area and providing them with the resources to “Get their GAME!” GAME represents Grades, Ability, Motivation, and Exposure. We are nurturing the entire student-athlete and providing them with the necessary tools to compete successfully at the collegiate level both athletically and academically.

We are looking for your support. In our current program, we are traveling to Disney’s Wide World of Sports to play against the top teams in the country. Your collaboration through sponsorship will provide us with necessary funds to support recruitment books, traveling fees, and recruitment tapes. These are all necessary in our quest to assist recruitment of our student-athletes to top schools around the country.

Please provide us with your business card so we can feature you on our t-shirts. With your pledge of \$50 or \$100, our student-athletes can train their minds and bodies to be champions on and off the field.

We appreciate your support!

Thank you,
